## Veteran's Message

We would like to Thank everyone for supporting our effort to keep our local Military Hall of Fame museums alive and well. The Hall of Fame museums across Louisiana and other states serve a very important role in making sure our Veterans are never forgotten and allows for our communities to display a vital piece of our nation's history, reminding us that FREEDOM is not free and was achieved by the brave men and women before us, is protected today by the same, and will remain protected by the brave men and women of tomorrow.
